ETIQUETTE OF THE GAME OF GOLF

Members are asked to pay particular attention to the following paragraphs - observance of them will add to the pleasure on the course for all concerned.

- (1) No one should move, talk or stand close to, or directly behind the ball or the hole, when a player is addressing the ball or playing a stroke.
- (2) The player who has the honour should be allowed to play before his opponent or fellow competitor tees his ball.
- (3) No player shall play until the players in front are out of range.
- (4) In the interest of all, players should play without delay.
- (5) A player who has incurred a penalty should notify the fact to their opponent or marker as soon as possible.
- (6) Players searching for a ball are allowed five (5) minutes to locate ball, then the player must play the ball under penalty of one stroke as near as possible at the spot where the ball was last played (Rule 27-1c Rules of Golf).
- (7) Before leaving the bunker, holes and foot marks made by the player must be smoothed and the rake returned to position found.
- (8) Restore divots, repair ball marks and damage of spikes on the green, a player should ensure that any turf cut or displaced is replaced at once and pressed down on any fairways.
- (9) In order to keep the game moving at an enjoyable tempo for all, it is imperatives that at the completion of playing the hole, the player who has the honour at the next tee must immediately walk to that tee, leaving the replacing of the flagstick to one of the other members of the four, and the marking of his score until after the shot is played. By far the greatest amount of time lost on a round of golf is between the green and the tee.
- (10) It is the duty and responsibility of the lowest handicapped player in the group to see their fellow competitors replace all divots, smooth out all footmarks in bunkers and observes the etiquette and rules of the game.

SLOW PLAY

Pace of play is a contentious issue amongst club members and whilst the lowest handicapper is considered the Captain of the group, it is everyone's duty to maintain pace of play. Below are a few helpful tips about maintaining pace of play and could assist you in completing your round within the stipulated timeframe:

Ready Golf

- Be ready on the first tee and proceed to hit off as soon as it is safe to do so.
- Proceed to your ball and be ready to play when it is clear to do so.
- Do not be afraid to play out of turn if it is safe to do so.
- Leave bags/buggies at exit points from greens.
- Line up and prepare to putt while others are putting.
- If three of you are on the green waiting for one of your group to rake a bunker, start putting.
- Putt out wherever possible.
- Walk quickly to your ball but don't rush your shot – two poor shots take longer than one good shot.
- Pick up when you run out of strokes in Par and Stableford events and if you cannot better your partners score in 4BBB rounds.
- Mark your card after you have hit off from the next tee or whilst others are hitting off, not while others are waiting for you to play.
- Do not worry about the honour on the tee – play ready golf.
- Let shorter hitters tee off first.
- If you feel your ball may be lost or has gone out of bounds, hit a provisional ball.
- If a ball is lost, play your ball first before going to help – it may be found by others before you get there.
- If you fall behind, get the first person to putt out to move to the next tee before others have finished.

No one wants their weekly round of golf to be a race to the 18th however being proactive and undertaking some, if not all, of the above will lead to a much more enjoyable round for the majority of the players in the field.

Remember, the best position for your group to be in the field is immediately behind the group in front.
