The 500 Club proudly presents State Shaper
Cav Tony Fini AM

Pioneer, Entrepreneur, Community Supporter and Benefactor

'The Tony Fini story' commenced from humble beginnings in the small town of Casoli Abruzzo, Italy. It is in his early years where his values of hard work, commitment, responsibility and respect were moulded.

In 1951, Mr Fini arrived in Perth, Western Australia and after working various jobs made the decision to become totally involved in the Home Building Industry. By 1956 the Fini Group was well on its way to becoming one of the leading builders and developers in Western Australia.

Speaking about Mr Fini's extraordinary contributions to the State and Community and his inspirational journey is business associate and personal friend **Mr Tony Casella**, who will be joined by Mr Fini's longtime friend **Mr Enzo Iustini** and son **Donato Fini**, as they both share some of their up close and personal experiences with Mr Fini.

This is a unique opportunity and we look forward to you joining us.
